

NEW LOGO

In 2023 we welcomed a new Logo which better visualizes what we stand for. The people we serve are our focus, and are at the foundation (the tree's trunk) of everything we do. The multicoloured leaves represent an inclusive community where everybody belongs.

A community where everybody belongs!

The Port Alberni Association for Community Living (PAACL) has been a registered non-profit society incorporated under the Society Act of BC, since 1957. PAACL has a long and highly respected reputation in the community for advocacy and service to people with developmental disabilities and their families. Our history reflects the significant contribution of individuals, their families and friends, our employees, and other concerned citizens for 65 years. PAACL is accredited by CARF, an independent accrediting body that assists us in enhancing the quality of our services and meeting internationally recognized organizational and program standards.
